

Taste Twister

ASI #80093

PyroGraphics

ASI #80093

Give your drink a stir and watch a Taste Twister appear!

- **Great for Bars, Parties, Clubs, Events, Soda Fountains, and Fund Raisers.**
- **Fill glass with any light colored, transparent carbonated beverage.**
- **Bubbles form on the Ultra-pure "Vortex Crystals" permanently bonded to the glass.**
- **Columns of effervescence bubble to the top.**

COST:

- **Figure the cost of the item with all imprinting and simply add 1.00 (g).**
- **There is no set-up charge for Taste Twister.**

Minimum order is 144 pcs.

• **Good for the Micro-Brew market. Brew looks fresher with the steady stream of bubbles.**

• **Works best with lightly carbonated beverages.**

Have Fun!
Play With Your Food!

PyroGraphics Taste Twister can be added to almost any glassware item .

For proper bubbling and twisting, glass must be clean and dry before filling with beverage.
