STAY SAFE!

Not interested in sharing your germs with the whole office? Our customizable Safe Signature Panel™ allows you to write your name on your mug so it won't get mistaken for someone else's. That means no sharing germs!

And, because you're not throwing away a disposable cup after every drink you're also saving the planet! Remember, not all Super Heroes wear capes!

The only other thing left to do is come up with your Super Hero name! Oh, and cover your cough. And wash your hands. And stay away from people.

Safe Signature Panel™ may be any style or shape and is available on many items. CONTACT US FOR INFORMATION!
